SUMMARY

Laravel Developer with experience in building web applications, APIs, and admin panels. Skilled in HTML, CSS, PHP, Laravel, and MySQL. Completed projects like E-commerce Website and Montessori School Website.

PROJECTS

E-commerce Website

- Developed an online store with product listing, shopping cart, and checkout features.
- Built an admin panel to manage products, orders, and customer details.
- Implemented search and category filters for user-friendly browsing.

Montessori School Website

- Designed a school website with information pages for courses, staff, and events.
- Added an admin panel for content management (blogs, notices, gallery).
- Built a contact and admission inquiry form with database storage.

EDUCATION

2022 – 2026 Bachelor's in Software Engineering at **University of Sindh**

CERTIFICATIONS

2024 **Web Engineering** — Sukkur IBA IT Readiness Bootcamp (Hyderabad) *3 Months*

- Covered core web technologies: HTML5, CSS3 (Flexbox/Grid), JavaScript (ES6+), and Git/GitHub workflow.
- Backend fundamentals with PHP & Laravel: MVC, Blade, Eloquent ORM, RESTful APIs, authentication/authorization.
- Database design using MySQL: schema normalization, migrations, seeders, and query optimization basics.
- Built capstone mini-projects (CRUD app with Auth, simple API) and practiced deployment to shared hosting.

SKILLS

Languages/Tools HTML, CSS, PHP, Laravel, MySQL, PHPmyadmin, Github.
